How to Sharpen Your Spiritual Edge

1. Select something that speaks to your heart and situation.

Quote a verse to combat specific situations.

2. Study the Context - to avoid misinterpretation.

Read in different translations.

3. Review, Review, Review

Use verse cards, verse packs.

Mark them in your Bible.

Repeat ALOUD, emphasizing successive words. (Quote the reference 1st and last.)

Review each day - over many days. (It takes 7 to 21 repetitions to memorize anything.)

- 4. MEDITATE -- Apply -- Obey
- 5. Become ACCOUNTABLE to someone else.
